2026 A DAY WITH... EVENT

SPONSORSHIP OPPORTUNITIES

We are excited to invite a select group of community partners to join us as sponsors of SSPGC's 2026 A Day With... educational event.

The heart of our work is supporting **Leave 10 South Sound**, a community-wide movement that encourages individuals to dedicate at least 10% of their estate to charitable causes; reframing legacy as shared abundance and strengthening families, nonprofits, and our broader community over time.

At our second annual planned giving focused event, we bring together the nonprofit and professional advisors who shape how generosity, legacy, and long-term charitable impact take root across the South Sound.

On **Friday, June 5, 2026**, in an all-day event at the Marriott Tacoma Downtown, we are honored to welcome nationally recognized speaker **Pamela J Davidson JD, FCEP**, whose work helps organizations move planned giving from abstract concept to confident, mission-aligned practice. She is known for her motivational and empowering message stated in practical and pragmatic terms, about gift planning advantages and options that can benefit individuals, families and valued charities, and the essential ingredient of "how to do what you want to do."

Hosted by **Leave 10 South Sound and South Sound Planned Giving Council (SSPGC)** a regional network of nonprofit leaders and allied professionals working to grow charitable impact across our community through planned giving education and collaboration.

A Day With... Pamela J Davidson, JD, FCEP convenes approximately 150–200 highly engaged nonprofit leaders and professional advisors — including executive directors, development professionals, board members, financial advisors, estate planning attorneys, CPAs, and philanthropic consultants. These are trusted decision-makers and connectors who guide legacy conversations and influence how generosity is understood and practiced throughout our region.

Sponsorship offers a meaningful opportunity to align with this influential audience while gaining visibility as a partner committed to the long-term vitality of the South Sound nonprofit sector.

We invite you to consider the following sponsorship opportunities to align your organization with this important community convening.
